# WHAT IS PHARMACY FIRST?

Pharmacy First is an NHS service that provides expert advice, assessment and treatment for certain minor health conditions, without the need to see a GP.

A pharmacist or independent prescriber will assess your symptoms and where appropriate, may:

- Offer self-care advice
- Deliver OTC medicines
- Provide prescription-only treatment for some conditions under the service
- Make referrals when required

## How does Pharmacy First work?

**Call us on 020 4599 5647 or alternatively, email us on: [info@newgenpharmacy.co.uk](mailto:info@newgenpharmacy.co.uk)**

2

**Have a video or phone consultation**

3

**Get advice, treatment or referral**

**Free medication delivery on NHS prescriptions across the UK**
